COACH EXPECTATIONS

QUOTE

“We have a good group of returners and newcomers who we will look at to carry us throughout the season. We expect our kids to play hard and disciplined football, no matter who is on the field. Our seniors and older players have welcomed the leadership role, and have been working hard this spring and summer. We will have 7-8 new faces on the defensive side of the ball, where we are replacing four starters on the offensive side.”

FINAL ANALYSIS

The standard is the standard in Pueblo West, as the program has had a **winning record for 10 consecutive seasons**. This year appears no different, as the Cyclones bring back Juniors **Chase Harrison and Chance Chamberlain** to lead the backfield. They will need some players to step up defensively, as their **top 7 tacklers are gone** to graduation.
